Re: Docket Nos. E-100, Sub 113; E-100, Sub 121; and M-100, Sub 124

Dear Ms. Vance:

The Commission's August 3, 2010 Order in Docket Nos. E-100, Sub 113, and E-100, Sub 121, requested that the Public Staff work with the affected electric and natural gas utilities to develop a proposal for streamlining and updating the Commission's Revised Guidelines for Resolution of Issues Regarding Incentive Programs and file the proposal in Docket No. M-100, Sub 124 within three months. The Public Staff apologizes for missing the deadline, and states that it has begun working with the affected utilities and hopes to be able to present a proposal to the Commission by March 31, 2011.

Sincerely yours,

*Elizabeth A. Denning*
