## Statement of Position Submitted

### Name

John Langstrand

### Email

Janfaldas@msn.com

### Docket

E-100 Sub 180

### Message

Please keep our net metering rules the way they are. Our community is rapidly growing and we need to keep incentives in place to continue consumers interest in installing new solar systems. This will be the only way we can keep up with demand and reduce our carbon footprint to better our way of life. Thank you!
