Filing of Rate Case Updates, Schedules, and Supporting Data

Dear Ms. Dunston:

Pursuant to Ordering Paragraph 7 at page 6 of the *Order Scheduling Hearing, Establishing Intervention and Testimony Due Dates and Discovery Guidelines, and Requiring Notice*, entered by the North Carolina Utilities Commission ("Commission") in Docket No. W-218, Sub 573, on September 8, 2022, Aqua North Carolina, Inc. ("Aqua" or "Company") hereby provides to the Public Staff and files with the Commission updated information with supporting data, along with updated schedules, through August 31, 2022, and September 30, 2022, which the Company proposes to use to supplement its rate case application and request for rate relief in this docket. **Please note this filing updates the information provided on September 21, 2022, which was previously provided to the Public Staff as updates to relevant data requests.**

As stated by the Commission in its scheduling order in Ordering Paragraph 7, this filing requirement:

...shall not apply to events that are neither foreseeable nor within the Company's control. This requirement shall not prevent Aqua from providing evidence showing

changes in costs, revenues, or plant in service additions pursuant to N.C. Gen. Stat. § 62-133(c).

I hereby certify that a copy of this filing has been served on the parties to this proceeding. Additionally, within one business day, as required by Commission Rule R1- 28(e)(1), Aqua will file with the Clerk fifteen (15) paper copies of the attached.

As always, thank you and your staff for your assistance; please feel free to contact me if there are any questions or suggestions.

Sincerely,

Electronically Submitted
