Regarding ALL approved dockets approved in 2021 and Jan. 2022 for PSNC/Dominion Energy: Writing as a residential customer, be aware that the SUM TOTAL of all approved dockets related to rate changes requested and approved for the above company have resulted in a 26.5 +% increase in my gas therm rate for winter months (Nov - April) based on rates applied to January 2021 (\$0.9421) vs. January 2022 (\$1.192174) natural gas use. Is this the BEST you can do for NC residential customers? Sincerely, Kathleen Payne
