Re: Clarification to CIGFUR and CUCA Joint Comments
Docket Nos. E-100, Sub 179 and E-100, Sub 190

Dear Ms. Dunston:

On April 25, 2024, the Carolina Industrial Group for Fair Utility Rates II and III (“CIGFUR”) and the Carolina Utility Customers Association, Inc. (“CUCA”) (collectively, “Customer Commenters”) submitted Joint Comments pursuant to the Commission’s April 22, 2024 Order Requesting Comments on the Public Staff’s Motion Requesting Issuance of Commission Order. In their comments, the Customer Commenters made reference to a bill impact analysis prepared by the Public Staff of House Bill 951 (Attachment A to the Joint Comments) as compared to the bill impacts currently projected by Duke Energy Progress, LLC (“DEP”), and Duke Energy Carolinas, LLC (“DEC”) in their Amended Petition for Approval of 2023-2024 Carbon Plan and Integrated Resource Plans in Docket No. E-100, Sub 190.

By this letter, the Customer Commenters wish to draw attention to the fact, as noted on the face of the Public Staff analysis, that the Public Staff bill impact analysis (Attachment A to the Joint Comments) was prepared as of July 9, 2021, based on review of the bill then pending in the House. On information and belief, no additional rate impact analysis was prepared by the Public Staff of the version of the bill introduced in the Senate or ultimately passed by the General Assembly.

Please do not hesitate to contact the undersigned should any questions arise in connection with this letter.
