I RESIDE AT 6408 HAZELFIELD CT WENDELL NC 27591, THE ELECTRIC BILL HAVE INCREASED TREMENDOUSLY FROM \$200 -\$700 IN THE PAST MONTHS ..... WE CANNOT AFFORD THIS TYPE OF BILL, I SUGGEST THAT THE METER BE READ AGAIN, ACCORDING TO THE BILL WE ARE PAYING FOR INCOMING RESIDENTS , WHICH IS TOTALLY UNFAIR TO ME AND THE OTHERS CUSTOMERS THAT IS HAVING THIS PROBLEMS. THE RIDER ADJUSTMENTS IS TOTALLY A RIP OFF, WE AS TAX PAYERS SHOULD NOT HAVE TO TOLERATE SUCH HIGH BILL!!! SOMETHING NEED TO BE DONE. THE COOPERS

I'm not the only person frustrated by this Energy Rider Adjustment, as I'm sure you are aware of. The average hard working person is struggling as it is. The last time I checked the stats...Duke Energy had 8.2 million customers and they charge \$14 dollars a month "customer charge" every month. That is 114.8 million monthly! And, I believe the customer base has grown. I will admit that I don't know what it takes to provide energy to customers, but this is not what it should be, we all work too hard and try to cut back on all of our expenses.
