Re: Docket Nos. G-5, Sub 632 and G-5, Sub 634

Dear Ms. Dunston:

On December 6, 2021, Public Service Company of North Carolina, Inc. d/b/a Dominion Energy North Carolina (“PSNC”) and the Public Staff – North Carolina Utilities Commission (“Public Staff”) filed in the above-referenced proceedings PSNC’s proposed Energy Efficiency Tracker - Rider F and Cost Recovery Mechanism for Energy Efficiency Programs Pilot (“EE Mechanism”). In its January 21, 2022 Order Approving Stipulation, Granting Rate Increase, and Requiring Customer Notice, the North Carolina Utilities Commission (“Commission”), found that it was reasonable and appropriate to allow the proposed three-year pilot energy efficiency program to commence as of November 1, 2021, as set forth in the EE Mechanism.

Paragraph 39 of the EE Mechanism states,

“the initial rider, effective as of the date that PSNC’s effective base rates no longer include recovery of Costs for Measures and Programs, which is November 1, 2021, will be \$0 per therm. PSNC and the Public Staff shall work together to determine the second set of EE rider rates consistent with this Mechanism, and shall file such proposed rates with the Commission no later than 45 days after the Commission’s order approving base rates in Docket No. G-5, Sub 632. If approved by the Commission, these rider rates shall become effective by May 1, 2022, if possible, but no later than June 1, 2022. The parties acknowledge that it may be impossible to fully meet the requirements of paragraphs 36 and 37 of this Mechanism, but will make all reasonable efforts to do so.”

Based on this paragraph, PSNC is to file the second set of EE rates March 7, 2022, to be effective no later than June 1, 2022. PSNC is working with the Public Staff on the second set of rates but needs additional time to finalize them. Therefore, PSNC respectfully requests until

April 15, 2022, to file these second set of rates to be effective June 1, 2022. The Public Staff has reviewed this letter and supports this request.

Thank you for your assistance with this matter. If you have any questions regarding this filing, you may reach me at the number shown above.

Sincerely,

/s/Mary Lynne Grigg
