BY THE CHAIRMAN: On January 26, 2018, the Commission issued an Order establishing proceeding to review the Community Solar Program Plan (Plan) proposed by Duke Energy Progress, LLC, and Duke Energy Carolinas, LLC. The Order, among other things, requested that parties to this proceeding file initial and reply comments on or before March 23, 2018, and April 13, 2018, respectively.

On March 19, 2018, the Public Staff filed a motion for a three-week extension of time for the filing of initial and reply comments. The Commission granted the request by Order dated March 20, 2018.

On May 2, 2018, Duke filed a motion for an additional four-week extension of time for the filing of reply comments. Duke states that, "due to other pressing matters," it "will require additional time to consider proposing revisions to certain aspects of the program and program plan in response to the comments received." In addition, Duke states that no other party objects to its proposed extension.

Based on Duke's motion and the record herein, the Chairman finds good cause to extend the date for all parties to file reply comments to June 4, 2018.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 3rd day of May, 2018.
