BY THE HEARING EXAMINER: On September 2, 2022, the Commission issued an Order on WLI Investments, LLC's Motion to Compel in these dockets. The Order, among other things, required Old North State Water Company, LLC, and Pluris Hampstead, LLC (Defendants), to serve WLI Investments, LLC (WLI), with their responses to items 2, 3 and 8 of WLI's Data Request No. 1 by September 9, 2022.

On September 7, 2022, Defendants filed a motion requesting that the time to serve WLI with copies of electronic mail that are responsive to WLI's data request be extended to September 15, 2022. In summary, Defendants stated that it is not feasible for them to respond by September 9, 2022, due to the large volume of electronic mail that they need to review and produce. Further, Defendants stated that WLI had stated that it consents to the requested extension of time.

Based on the foregoing and the record, the Hearing Examiner finds good cause to extend to and including September 15, 2022, the date by which Defendants are required to serve WLI with electronic mail records that are responsive to items 2 and 3 of WLI's Data Request No. 1.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 9th day of September, 2022.
