Re: Docket No. SP-5474, Sub 0
Broadway Road Solar, LLC – Reduction to Capacity

Dear Clerk Mount:

Pursuant to Rule R8-64(d)(3), Broadway Road Solar, LLC (the “Applicant”) notifies the Commission that the maximum gross power production of the facility addressed in this docket is being reduced to 2.0-MW_{AC}. The Applicant filed an application for a Certificate of Public Convenience and Necessity for a 5-MW_{AC} facility on April 7, 2015. After further analysis, the Applicant has determined the facility constructed at this location will not exceed 2.0-MW_{AC}. The location of the facility has not changed.

Please let us know if you have any questions.

Sincerely,

/s/ E. Merrick Parrott
