Re: Duke Energy Progress, LLC's Notice of Expiration of Rider RAL-1  
Docket No. E-2, Sub 1219

Dear Ms. Dunston:

On May 18, 2022, Duke Energy Progress, LLC (DEP) filed a notice of expiration of the Regulatory Asset and Liability Rider RAL-1 (Rider RAL-1) established by Ordering Paragraph 23 of the Commission's April 16, 2021 Order Accepting Stipulations, Granting Partial Rate Increase, and Requiring Customer Notice.

DEP provided the filing in advance to the Public Staff for review, and the Public Staff has reviewed the filing and the underlying calculations. The Public Staff recommends that the Commission allow the revised tariffs to go into effect as filed.

Please feel free to contact me if you have any questions.

Sincerely,

**Electronically submitted**
