- ) FEDERAL FUNDING AND TO
- ) FILE REPORTS

On September 15, 2021, the President of the United States signed the Infrastructure Investment and Jobs Act, H.R. 3684, 117<sup>th</sup> Cong. The Act contains provisions that relate to utility infrastructure investment, construction, and transmission, access to clean water, and

The Commission issued its Order Allowing Comments on the Comments Order in North Carolina (Comments Order). In the Comments Order, the Commission reached the preliminary conclusion that it is in the public interest for the Commission to consider taking advantage of the federal funding made available by the Act. The Commission invited interested parties to comment. The Commission made parties to the docket and ordered to file comments the following interested parties: Duke Energy Progress, LLC (DEC, collectively Duke); Virginia Electric and Power Company of North Carolina (DENC); Piedmont Natural Gas Company of North Carolina, Inc., d/b/a Piedmont Gas Company (PGC); Aqua North Carolina, Inc. (Aqua); and Carolina Electric and Gas Company (CEG) (collectively, the Utility Parties). All North Carolina electric and wastewater utilities were served with the

Comments Order must be filed by March 15, 2022, and for reply comments was extended to June 15, 2022.

The Commission granted requests to intervene, which were granted by the Commission, Frontier Natural Gas Company, the Sustainable Energy Association (NCSEA), the North Carolina Clean Energy Business Association (NCCEBA), EVgo Service, LLC (EVgo), ChargePoint, Inc. (ChargePoint), and Carolina Clean Energy Business Association (CCEBA).
