

Explanation of Corporate Structure

The entity/corporate structure in place in North Carolina for Red Bird Utility Operating Company, LLC's affiliate group – consisting of the utility operating company, an intermediate holding company, and a state holding company – is a legacy structure that predates the acquisition of CSWR, LLC, by U.S. Water Systems, LLC, in late 2018. Prior to that acquisition, affiliates operating in Missouri and Arkansas – which were the affiliated group's only operations at that time – utilized an identical three-tiered structure. After U.S. Water System's acquisition, the legacy structure was replicated in each new state the affiliate group entered.
