**Re: In the Matter of Application of Old North State Water Company for Certificate of Public Convenience and Necessity for The Reserve at Falls Lake Phase 4, Wake County, NC
W-1300 Sub 83
*Public / Redacted Application for Certificate of Public Convenience and Necessity and Approval of Rates***

Dear Ms. Dunston:

On behalf of Old North State Water Company, Inc., we herewith provide the public / redacted Application for Certificate of Public Convenience and Necessity and Approval of Rates for The Reserve at Falls Lake Phase 4, Wake County, North Carolina, and supporting documentation.

A pre-application meeting was held with NC Public Staff and the attached application has been revised accordingly to concur with the Public Staff’s comments. The changes involve correction of a typo for the pump cost (should be \$9,900 and not \$99,000), and the inclusion of the cost of the air compressor. With these revisions, the application is consistent with the certified costs from the Asset Purchase Agreement.

The CPCN Application, in native Excel Format, will be provided to the NC Public Staff and to Commission Staff and provided to NCUCExhibits@ncuc.net.
