**Re: Docket No. E-100, Sub 175  
Biennial Determination of Avoided Cost Rates for Electric Utility  
Purchases from Qualifying Facilities – 2021**

Dear Ms. Dunston:

Enclosed for filing in the above-referenced docket on behalf of Virginia Electric and Power Company, d/b/a Dominion Energy North Carolina (the “Company”), is the confidential portion of the Company’s information regarding avoided costs as required by 18 C.F.R. § 292.302(b)(1)-(3) (2020) as filed contemporaneously in this proceeding.

The confidential portion of this filing contains confidential information. Information designated by the Company as confidential qualifies as “trade secrets” under N.C. Gen. Stat. § 66-1 52(3). Public disclosure of this information would allow access by external vendors to the projected or actual costs for services that will be or have been competitively bid, which may provide commercial value to such external vendors and may ultimately result in harm to ratepayers. Pursuant to N.C. Gen. Stat. § 132-1.2, the Company has redacted this confidential information from the public version of this filing and is contemporaneously filing these confidential pages under seal. The Company will make this information available to other interested parties pursuant to an appropriate nondisclosure agreement.

Please do not hesitate to contact me if you have any questions. Thank you for your assistance in this matter.

Very truly yours,

/s/Andrea R. Kells
