

The Commission finds good cause to issue the present Order scheduling this matter for public hearing, establishing discovery guidelines, and providing for public notice of the hearing. The guidelines regarding discovery in this docket, subject to modification for good cause shown, are as follows:

1. Any deposition shall be taken before the deadline for the filing of the Public Staff and other intervenor testimony. Notice of deposition shall be served on all parties at least seven days prior to the taking of the deposition. Notice of deposition and all other discovery notices, requests, and motions shall be served on the appropriate parties by hand delivery or facsimile, or by electronic delivery if the receiving party has agreed to receipt by electronic delivery.

2. Any motion for subpoena of a witness to appear at the expert witness hearing shall be filed with the Commission before the deadline for filing of the Public Staff and intervenor testimony, shall be served on the person sought to be subpoenaed at or before the time of filing with the Commission, and shall make a reasonable showing that the evidence of such person will be material and relevant to an issue in the proceeding. See N.C.G.S. § 62 62. Unless an objection is filed, the Chief Clerk shall issue the requested subpoena within 2 business days after such a motion is filed.

3. Formal discovery requests related to the application and DEP's prefiled direct testimony shall be served on DEP not later than 14 calendar days prior to the deadline for filing of the Public Staff and other intervenor testimony. The party served shall have up to ten calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than ten calendar days prior to the deadline for filing of the Public Staff and intervenor testimony.

4. Formal discovery requests related to the prefiled direct testimony of the Public Staff or intervenors shall be served not later than five calendar days after the filing of that party's testimony. The party served shall have up to three business days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than nine calendar days after the filing of that party's testimony.

5. Formal discovery requests related to the prefiled rebuttal testimony shall be served no later than three business days after such testimony is filed. The party served shall have up to three calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than three business days after rebuttal testimony was filed. Discovery related to rebuttal testimony shall be limited to new material introduced in such rebuttal testimony and will be carefully scrutinized upon objection that such discovery should have been sought during the initial period of discovery.

6. Discovery requests need not be filed with the Commission when served; however, any party filing objections shall attach a copy of the relevant discovery request to the objections. Each discovery request, or part thereof, to which no objection is filed

shall be answered by the time objections are due, subject to other agreement of the affected parties or other order of the Commission. Upon the filing of objection, the party seeking discovery shall have two calendar days to file with the Commission a motion to compel, and the party objecting to discovery shall have one calendar day thereafter to file a response. All objections, motions to compel, and responses shall be served on the other affected party at or before the time of filing with the Commission.

7. A party shall not be granted an extension of time to pursue discovery due to that party's late intervention or other delay in initiating discovery.

The Commission recognizes that in the past most discovery has been conducted in an informal manner without the need for Commission involvement or enforcement, and that such has been generally successful. The above guidelines are without prejudice to the parties conducting informal discovery or exchanging information by agreement at any time with the understanding that such will not be enforceable by the Commission if outside the guidelines.

Finally, the Commission finds good cause to require that DEP, the Public Staff, and other parties who file supporting exhibits in Excel format shall provide electronic versions of the exhibits filed in native Excel format, including all supporting tabs/worksheets and formulas, to the Commission Staff within three business days of the filing of such exhibits.

IT IS, THEREFORE, ORDERED as follows:

1. That a public hearing shall be, and is hereby, scheduled to begin immediately following the hearings in Docket Nos. E-2, Subs 1320 and 1321, which are scheduled to begin at 9:00 a.m. on Tuesday, September 19, 2023, in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina, for the purpose of considering the annual DSM/EE cost recovery proceeding for DEP;

2. That any person having an interest in this proceeding may file a petition to intervene stating such interest on or before Tuesday, August 29, 2023;

3. That the direct testimony and exhibits of the Public Staff and interveners shall be filed on or before Tuesday, August 29, 2023;

4. That DEP may file rebuttal testimony and exhibits on or before Thursday, September 7, 2023;

5. That DEP, the Public Staff, and other parties who file supporting exhibits in Excel format shall provide electronic versions of the exhibits filed in native Excel format, including all supporting tabs and formulas, to the Commission Staff within three business days of the filing of such exhibits;

6. That DEP shall publish the Public Notice attached hereto as Appendix A in a newspaper or newspapers having general circulation in its service area once a week for two successive weeks beginning at least 45 days prior to the hearing;

7. That DEP shall file affidavits of publication on or before the date of the hearing; and

8. That the parties shall comply with the discovery guidelines established herein.

ISSUED BY ORDER OF THE COMMISSION.

This the 30th day of June, 2023.

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission has scheduled a public hearing in the annual demand-side management (DSM) and energy efficiency (EE) cost recovery proceeding for Duke Energy Progress, LLC (DEP). The public hearing has been scheduled to begin immediately following the hearings in Docket Nos. E-2, Subs 1320 and 1321, which are scheduled to begin at 9:00 a.m. on Tuesday, September 19, 2023, in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina. This proceeding is being held pursuant to the provisions of N.C.G.S. § 62-133.9 and Commission Rule R8-69, for the purpose of determining whether an increment or decrement rider is required to allow DEP to recover all reasonable and prudent costs incurred for adoption and implementation of new DSM and new EE measures and appropriate incentives. Public witness testimony will be received in accordance with Commission Rule R1-21(g).

On June 13, 2023, Duke Energy Progress, LLC (DEP), filed its application for approval of DSM/EE cost recovery pursuant to N.C.G.S. § 62-133.9 and Rule R8-69. By its application DEP requests a total annual revenue decrease of approximately \$8 million, effective January 1, 2024, from the DSM/EE rider currently in effect. This request would result in a decrease of 0.011 cents per kilowatt-hour (kWh) for residential customers. Non-residential General Service customers, depending upon their participation in DEP's DSM or EE programs, would see no change in their DSM rider, and an EE rider decrease of 0.066 cents per kWh. Lighting customers would see an EE rider decrease of 0.099 cents per kWh. Industrial and large commercial customers that have, under N.C.G.S. § 62-133.9, opted out of and never participated in DEP's DSM and EE programs are not subject to the rider.

Further information may be obtained from the Office of the Chief Clerk, North Carolina Utilities Commission, 430 North Salisbury Street, Raleigh, North Carolina, where a copy of DEP's application is available for review by the public.
