BY THE COMMISSION: On December 14, 2023, the Commission issued a Recommended Order Approving Stipulation, Approving Transfer and Rates, Granting Franchise, Approving Bond, and Requiring Customer Notice (Recommended Order) in the above-captioned dockets. On December 19, 2023, Red Bird Utility Operating Company, LLC, Total Environmental Solutions, LLC, and the Lake Royal Property Owners Association (Movants) filed a joint motion stating that each party waives its right to file exceptions to the Recommended Order and that the Public Staff does not object to the filing of the motion. Consequently, Movants request that the Commission issue an order making the Recommended Order effective and final so that the transfer may close before the end of 2023.

Based on the foregoing, the Commission is of the opinion that the request for the Recommended Order to be adopted as the Final Order should be granted.

IT IS, THEREFORE, ORDERED that the Recommended Order entered in this docket on December 14, 2023, is hereby adopted as the Final Order of the Commission.

ISSUED BY ORDER OF THE COMMISSION.

This the 22nd day of December, 2023.
