Re: Docket No. W-1305, Sub 12 - Application for General Rate Increase

Dear Mr. Higgins:

The Public Staff has reviewed the application filed in the above-referenced docket on January 23, 2019, by Pluris Hampstead, LLC (the Company or Applicant), and has determined that additional information is necessary to complete the filing under Commission Rule R1-17.

Based on its initial review of the application, the Public Staff has determined that Exhibit 27 referenced in the Applicant's Pluris Schedule 13a (page 64, item (2)) was not attached. In addition, the Public Staff notes that schedules within Pluris Schedule 12b (pages 40-52 of the application) were not filed in native format as is the Commission's preference under the NCUC E-Filing Requirements.

The Public Staff considers the Company's application incomplete as filed. Pursuant to Commission Rule R1-17(f), the Commission may deny the application for failure to include material data or information. Please provide to the Public Staff and file with the Commission the data and information described above to complete the Company's application within five days of the date of this letter.

If you have any questions, please do not hesitate to contact William Grantmyre at (919) 733-0977 or me at (919) 733-0974.

Electronically submitted
