9. Please explain how "My Duke Data Download" program compares to the Green Button Alliance's "Green Button Connect My Data (CMD) standard."¹ The response should specifically identify the any inconsistencies between the Duke program and the CMD standard.

Response provided by Joe Thomas, Director of Enhanced Customer Solutions

Response: This request is asking to compare two very different programs. The My Duke Data Download will allow customers to download their data, in a standardized format, and use it however they choose. This functionality would more appropriate compare with the Green Button Download My Data and will be available to customers in late 2019. The Green Button Connect My Data utilizes the same the same data format standard, but the data would be automatically provided to approved 3rd parties. Duke Energy does not plan to offer this functionality.
