North Carolina, LLC)	

BY THE CHAIR: On January 20, 2023, Brightspeed North Carolina, LLC (Brightspeed) filed a letter with the Commission providing notice of a corporate name change and a copy of its filing with the North Carolina Secretary of State reflecting the name change. According to Brightspeed's documentation, the company formerly known as Central Telephone Company, LLC d/b/a CenturyLink is now known as Brightspeed of North Carolina, LLC.

Brightspeed's letter states that the company is a longstanding Incumbent Local Exchange Company (ILEC) in North Carolina and that it will undertake the appropriate changes to update any relevant tariffs to reflect the name change. Brightspeed further states that it understands that the Commission does not have to provide prior approval for such name changes but, should the Commission determine otherwise, Brightspeed requests that the Commission treat its letter as a request for approval.

Considering the foregoing, the Commission finds good cause to recognize the name change of Central Telephone Company, LLC d/b/a CenturyLink to Brightspeed of North Carolina, LLC, and will update Commission records to reflect the same.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 24th day of January, 2023.
