RE: Docket No. E-7, Sub 831
Duke Energy Save-a-Watt Approach, Energy Efficiency Rider and
Portfolio of Energy Efficiency Programs

Dear Ms. Vance:

Duke Energy Carolinas, LLC (the "Company") requests that its filing letter dated October 20, 2009, regarding the rate schedule and rider which reflect the PowerShare Nonresidential Load Curtailment Rider changes in the above-referenced docket, be withdrawn. The Company made this filing in error, as it was duplicative of the Company's October 15, 2009 filing in this docket.

Please let me know if you have any questions, and I apologize for any inconvenience this may have caused.

Sincerely,

Brian L. Franklin
