**RE: Duke Energy Progress, LLC's Application to Adjust Retail Base Rates and
for Performance-Based Regulation, and Request for an Accounting Order
Docket No. E-2, Sub 1300**

Dear Ms. Campbell:

Enclosed for filing is Duke Energy Progress, LLC's ("DEP" or the "Company") Application to Adjust Retail Base Rates and for Performance-Based Regulation, and Request for an Accounting Order ("Application") pursuant to Sections 62-133, 62.133.16, 62-133.2, 62-134 and 62-135 of the North Carolina General Statutes and Rule R1-17 and R1-17B of the regulations of the North Carolina Utilities Commission ("Commission"). In support of the Application, DEP is pre-filing Direct Testimony and Exhibits, as well as Commission Form E-1, Rate Case Information Report - Electric Companies.

While the Application does not contain confidential information, Jiggetts Exhibit 4 and portions of E-1 items 10, 18, 23 and 40 contain commercially sensitive information that should be protected from public disclosure. The information designated by DEP as confidential qualifies as "trade secrets" under N.C.Gen. Stat. § 66-152(3). If this information were to be publicly disclosed, it would allow competitors, vendors, and other market participants to gain an undue advantage, which may ultimately result in harm and higher cost to customers. Pursuant to N.C. Gen. Stat. § 132-1.2, DEP requests that the information marked "Confidential" be protected from public disclosure. DEP is filing all pages designated as confidential under seal and will make the information available to other parties to this docket pursuant to an appropriate nondisclosure agreement.

Pursuant to N.C. Gen. Stat. § 62-300(a)(3), a check is being provided in the amount of \$500.00 for the filing fee in this matter.
