BY THE PRESIDING COMMISSIONER: On September 29, 2020, Sierra Club filed with the Commission in Docket No. E-2, Sub 1219A, a Motion for Leave to File Exhibits Identified in Direct Testimony of Rachel Wilson. In summary, Sierra Club explained that two exhibits — Sierra Club Wilson Exhibits 4 and 5 — that were identified in the direct testimony of Sierra Club witness Rachel Wilson as RW-4 and RW-5, were inadvertently left out of its April 13, 2020 filing with the Commission. Sierra Club also attached the exhibits to its motion. Sierra Club further represented that Duke Energy Progress, LLC, does not object to the late filing of the exhibits.

Based on these representations and the records in these dockets, the Presiding Commissioner finds good cause to allow the motion. Sierra Club may file with the Commission the exhibits identified above.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 1st day of October, 2020.
