The motion stated that Strata and Duke have been engaged in discussions and expect to reach a settlement within the requested 30-day extension period. The motion further stated that the Carolinas Clean Energy Business Association and the Public Staff do not object to the requested extension of time.

Parties may file reply comments on or before July 26, 2021. The Commission initially requested comments on this issue on March 9, 2021. Due to the length of time this issue has been outstanding and the public safety concerns this issue raises, the Commission will not be inclined to grant additional extensions and encourages the parties to reach consensus by July 26, 2021.

ISSUED BY ORDER OF THE COMMISSION.
