E-2 Sub 1292

Message

This is insane to increase an 18% over the next 3 years. Duke Energy Progress is a monopoly and has horribly taken advantage of the hard working people. I've made so many phone calls in the last year advocating for Latino folks that live in a small trailer and are getting bills of over \$900 a month. I haven't seen this company provide any type of discount or tried to make things right. I hope this increase in rates is blocked!!
