Re: Docket No. G-5, Sub 495—Revised Stipulation Exhibits

Dear Ms. Vance:

On August 13, 2008, Public Service Company of North Carolina, Inc. ("PSNC") filed a stipulation and exhibits ("Stipulation") by and among PSNC, the Public Staff – North Carolina Utilities Commission, and Carolina Utility Customers Association, Inc. (collectively, the "Stipulating Parties"). Subsequent to the filing, PSNC discovered three errors in the exhibits.

Please accept for filing three replacement pages to the exhibits revised as follows: 1) the reference to the "Customer Usage Tracker" has been removed from Rate Schedule No. 126 (Exhibit E, p.7); 2) The reference to Rate Schedule No. 126 has been removed from the definition of "Customer Usage Tracker" in the Service Regulations (Exhibit F, p. 1); and 3) Rate Schedule No. 180 has been revised to correct the reference to Rate Schedule No. 190 to Rate Schedule No. 165 (Exhibit E, p. 15). The undersigned counsel has been in contact with the Stipulating Parties and has been authorized to represent that they have no objection to these revised pages.

Please accept the original and 30 copies of the attached revised exhibits to the Stipulation for filing and return one-file-stamped copy to my courier. If you have any questions regarding this matter, you may reach me at the number shown above.

Sincerely,

WOMBLE CARLYLE SANDRIDGE & RICE
