Re: Application for Transfer of Public Utilities Franchise and for Approval of Rates, Filed by Pace Utilities Group, Inc. (W-1046, Sub 5) and Carolina Water Service, Inc. of North Carolina (W-354, Sub 361)

Dear Ms. Jarvis:

On February 6, 2019 Carolina Water Service, Inc. of North Carolina (“CWSNC” or “Company”) and Pace Utilities Group, Inc. (“Pace,”) filed a second Revised Application for Transfer of Public Utilities Franchise and for Approval of Rates. The requested rates were those applicable to CWSNC’s Bradfield Farms subdivision at the time. CWSNC had agreed with the Public Staff to the use of applicable Bradfield Farms subdivision rates, the February 6, 2019 filing reflected that agreement, and it remains the intention of the Company to request and the Public Staff to approve use of the Bradfield Farms subdivision rates after transfer for the Pace system.

On February 21, 2019, the North Carolina Utilities Commission (“NCUC” or “Commission”) issued its order in CWSNC’s most recent general rate case application (Docket No. W-354 Sub 360). In that order, the rates for the Bradfield Farms subdivision were changed; this letter confirms the continuing request by CWSNC in this matter that the rates applied to the Pace system upon transfer be the rates currently applicable to the Bradfield Farms subdivision of CWSNC, as they exist at the time of transfer. The currently applicable rates for the Bradfield Farms subdivision are set forth in Appendix A-3 of the Commission’s February 21, 2019 order in CWSNC’s rate case application (W-354 Sub 360).
