Re: Docket No. G-9, Subs 698 and 810

Dear Ms. Dunston:

On July 27, 2022, Cardinal Bio Energy, LLC (Cardinal), filed an application in the above-referenced dockets requesting that the Commission approve its participation in the pilot program established for Piedmont Natural Gas Company, Inc. (Piedmont), by the Commission's *Order Approving Appendix F and Establishing Pilot Program* issued June 19, 2018, in Docket No. G-9, Sub 698, and its *Order Extending Renewable Gas Pilot Programs, Amending Regulations and Requiring Reporting* issued September 8, 2021, in Docket Nos. G-9, Sub 698, and G-5, Sub 606. The Public Staff has reviewed the application and has no objection to Cardinal participating in Piedmont's pilot program, subject to the Commission's approval of a receipt interconnect agreement between Cardinal and Piedmont.

I am forwarding a copy of this letter to all parties of record.

Sincerely,

Electronically submitted
