*Re: Docket No. G-9, Sub 764
Align RNG Letter in Support of Expedited Approval of RIA*

Dear Ms. Campbell:

Align RNG North Carolina, LLC, d/b/a Align Renewable Natural Gas (“Align RNG”), hereby submits this letter in support of the Receipt Interconnection Agreement (“Agreement”) filed by Piedmont Natural Gas Company, Inc. (“Piedmont”) on May 1, 2020, for North Carolina Utilities Commission (“Commission”) approval. The Agreement establishes the terms and conditions under which Align RNG may inject specified quantities of Alternative Gas into Piedmont’s system at a designated receipt point subject to the provisions of the Agreement as well as Appendix F to Piedmont’s North Carolina Service Regulations.

The Commission has previously allowed Align RNG’s participation in Piedmont’s Alternative Gas pilot program in its April 3, 2020 *Order Approving Participation in Pilot Program With Conditions* in this docket. Align RNG is currently constructing gathering lines and would like to provide renewable natural gas to its customers as soon as possible. Therefore, Align RNG respectfully requests approval of the Agreement at the Commission’s earliest convenience.

Very truly yours,
