The Public Staff has not fully reviewed the ongoing financing costs or servicing fees in the present adjustment and reserves its rights to review these amounts in the semi-annual true-up adjustment to be filed by the Company. The Public Staff recommended that the Company's proposed storm cost recovery charges filed on August 31, 2022, be approved, effective for the period October 1, 2022, through December 31, 2022.
