Pursuant to N.C. Gen. Stat. § 62-155(f) )	

BY THE CHAIR: On March 23, 2021, the Commission issued an Order Modifying Solar Rebate Program and Allowing Comments (March 23, 2021 Order).

On April 5, 2021, Duke Energy Progress, LLC (DEP), and Duke Energy Carolinas, LLC, (DEC, and collectively with DEP, Duke) filed compliance tariffs to reflect the modifications approved by the Commission in the March 23, 2021 Order.

On April 9, 2021, the Public Staff filed a letter in this proceeding stating that it has reviewed Duke's April 5, 2021 compliance filing, finds that the modifications comply with the Commission's orders, and recommends that the Commission accept Duke's compliance filing. The Public Staff further recommends that, in the interest of transparency in the newly approved lottery process, Duke commit to disclosing detailed methodological data with regard to the July 2021 enrollment window at the request of the Public Staff or other intervenors.

No other responses to Duke's April 5, 2021 compliance filing were received by the Commission. The Chair finds Duke's April 5, 2021 compliance filing to be responsive to the Commission's March 23, 2021 Order.

Based upon the foregoing and the entire record in the above-captioned proceedings, the Chair finds good cause to accept Duke's April 5, 2021 compliance filing as documentation of compliance with the Commission's March 23, 2021 Order. The Commission, therefore, accepts Duke's April 5, 2021 compliance filing. In addition, the Chair finds good cause to order Duke to disclose detailed methodological data with regard to the July 2021 enrollment window at the request of the Public Staff or other intervenors

in conjunction with the filings described in Ordering Paragraph Nos. 4, 6, and 7 of the Commission's March 23, 2021 Order.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 13th day of April, 2021.
