**Re: Docket No. G-40, Sub 160**

Dear Ms. Dunston:

Pursuant to Regulatory Condition No. 24, and Ordering Paragraph 2 of the *Order Approving Merger Subject to Regulatory Conditions*, Frontier Natural Gas Company (“Frontier”) is required to provide a credit to its customers in the amount of \$200,000, through two bill credits in the amount of \$100,000 each and file a report with the Commission within 30 days after each bill credit has been completed. The first of the two \$100,000 bill credits became effective for bills rendered on or after December 15, 2021, and the required report was filed with the Commission on January 19, 2022.

In compliance with the above, Frontier has attached a schedule setting forth the actual bill credits to be rendered to customers for the second of the two \$100,000 bill credits which became effective for bills rendered on and after December 20, 2022. These credits are being issued based on prior 12-months usage by individual customers, so they are not dependent upon current usage. Frontier used the same methodology (which was reviewed by the Public Staff) for last year’s credit.

If you have any questions regarding this filing, you may reach me at the number shown above.

Sincerely,

/s/ James H. Jeffries IV
