RE: Carolina Solar Energy II, LLC; SP-2363, Sub 15  
ABD Farm Solar, LLC; SP-4345, Sub 0

Amendment to Application to Register a Renewable Energy Facility Pursuant to Rule R8-66

Dear Ms Mount:

At the request of the Public Staff, on 6 October 2012 we submitted an amended Registration Statement with notarized signature in docket SP-2363, Sub 15 for the ABD Farm solar project to be constructed near the town of Asheboro in Randolph County, North Carolina. The original registration filing submitted 6/13/14 did not fully answer question 2 on page 6, which we corrected.

However, please note the ABD Farm R8-66 Application is pending transfer of the Registration and Certificate from SP-2363, Sub 15 into SP-4345, Sub 0, and an amendment of the facility owner to our subsidiary, ABD Farm Solar, LLC. Therefore, we should have submitted the corrected Registration Statement into SP-4345, Sub 0. We apologize for the clerical error.

We are now uploading the corrected Registration Statement into SP-4345, Sub 0. Please see the corrected statement enclosed.

Thank you in advance for your assistance with this filing.

Best regards,

A handwritten signature in blue ink, appearing to read 'Gerry Dudzik', is written over a horizontal line.
