PURSUANT TO NCUC Rule R1-19, now comes NC WARN, Incorporated through the undersigned attorney, with a motion to allow it to intervene in this docket. In support of the motion is the following:

1. NC WARN is a not-for-profit corporation under North Carolina law, with approximately one thousand individual members and families across the state. Its purpose is tackling the climate crisis – and other hazards posed by electricity generation – by building people power for a swift North Carolina transition to clean, renewable and affordable power generation and increased energy efficiency. Its address is NC WARN, Post Office Box 61051, Durham, North Carolina 27715-1051.

2. The attorney for NC WARN to whom all correspondence and filings should be addressed is Kristen Wills, Staff Attorney, P.O. Box 61051, Durham, NC 27715.

According to Rule 1-39 service by email is acceptable and may be sent to kristen@ncwarn.org.

3. Many of NC WARN's members are customers of Duke Energy Carolinas and Duke Energy Progress in North Carolina and use electric power supplied by these

companies in their homes and businesses. These members are concerned about the cost of energy and the impacts of those costs on themselves, their families and their livelihood. Many of these members would like the opportunity to participate in community solar programs.

4. If allowed to intervene in this docket, NC WARN will provide valuable comments and reasonable insight in this matter.

THEREFORE, NC WARN prays that it be allowed to intervene in this matter and fully participate in the Commission's deliberations.

Respectfully submitted, this the 20th day of March 2018.
