CUCA’S PETITION TO INTERVENE

Pursuant to North Carolina Utilities Commission (“Commission”) R1-19, Carolina Utility Customers Association, Inc. (“Petitioner” or “CUCA”), by and through its undersigned counsel, hereby respectfully petitions to intervene in the above-captioned dockets. In support of the petition, Petitioner provides the following information:

1. CUCA is a corporation duly organized, validly existing, and in good standing under the laws of the State of North Carolina, with its principal office located at 8386 Six Forks Road, Suite 103, Raleigh, NC 27615.

2. The name and addresses of its principal officers are

Chair: David J. Lyons

Executive Director: Kevin N. Martin

4. CUCA is an organization of industrial utility customers whose member companies maintain numerous industrial manufacturing facilities and employ thousands of workers throughout the State of North Carolina, including the territory in which Dominion Energy North Carolina ("DENC") has been authorized by the Commission to sell electricity at retail.

5. CUCA's member companies use electricity sold by DENC in the operation of their manufacturing plants. The availability of an adequate supply of electricity at a reasonable price is critical to the economic viability of CUCA's member companies. DENC's filing will affect the rate associated with DENC's sale of electricity to CUCA members. As a result, CUCA has a vital interest in the matters at issue in the above-captioned proceeding and should be permitted to intervene and participate.

6. CUCA agrees to accept electronic service of all filings in the Docket.

WHEREFORE, CUCA respectfully requests that the Commission enter an order allowing CUCA to intervene and fully participate in the above-captioned proceedings, including the right to discovery, and to otherwise exercise all statutory rights provided to Intervenors under North Carolina law.

Respectfully submitted, this 1st day of September, 2021.
