UTILITIES COMMISSION
RALEIGH**

DOCKET NO. E-100, SUB 121

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of		
Implementing a Tracking System for)	ORDER GRANTING
Renewable Energy Certificates)	EXTENSION OF TIME TO FILE
Pursuant to Session Law 2007-397)	COMMENTS

BY THE CHAIRMAN: On September 4, 2008, the Commission issued an Order in this docket, which, among other things, stated that parties wishing to provide comments regarding the criteria that should be used by the Commission in evaluating applications submitted by potential renewable energy certificate (REC) tracking system providers should file those comments by November 14, 2008.

On November 7, 2008, Duke Energy Carolinas, LLC (Duke) filed a Motion for Extension of Time to file those comments, stating that Duke is not aware of any party to this docket that opposes this time extension motion.

The Chairman notes that Commission Staff has rescheduled a planned stakeholder meeting in order to accommodate other Commission business. As a result, the Chairman finds good cause to further extend the deadline for filing of comments by all parties.

IT IS, THEREFORE, ORDERED that parties wishing to file comments regarding the criteria that should be used by the Commission in evaluating applications submitted by potential REC tracking system providers shall file those comments on or before December 2, 2008.

ISSUED BY ORDER OF THE COMMISSION.

This the 10th day of November, 2008.
