Hi MS. Casselberry,

I am writing to officially protest the rate increase for my sewer service in Majestic Oaks West, Hampstead NC. I vehemently disagree that the people who live in Majestic Oaks West should have to bear the cost of the newer Salters Haven community (which I believe is the reason for the request to increase rates) and the company acquisition of ONSWC. I may be incorrect with that statement however my sewer usage does not warrant an increase each month of \$26.10 or 46.30%.

I would like it known to all who make the decision to make this rate increase effective that it is essentially stealing from existing ONSWC customers to cover the costs to install product to service the new Salters Haven and cover the costs of acquiring ONSWC. With all that is happening to our country citizens should not have to incur unnecessary costs due to a new community or that of an acquisition. And lastly since we have no other choice but to use the service provided it is COMPLETELY UNFAIR, UNJUST AND ABSOLUTELY WRONG!

Thank you for your time and consideration.

Please again, CONSIDER THIS A SIGNIFICANT PROTEST.!
