Hi Megan –

Joanne contacted me earlier today regarding the Stoneridge Master System. I am attaching the correspondence I previously sent to Bill and providing follow-up.

Also, Aqua has scheduled the valve installation project for later this week and next week. See the attached correspondence sent to the community regarding this project.

Rob and I both have time available Friday morning between 9:00 – 10:30 AM if you would like to discuss. Would that work with your schedule?

Please let me know where we can assist.

Thank you,
