v.)

Respondent.)	

BY THE COMMISSION: On March 29, 2021, Respondent Harkers Island Sewer Company ("HISCO"), through counsel, filed a Motion seeking one week of additional time for Respondent to file testimony and exhibits, and one week of additional time thereafter for Complainant to file any rebuttal testimony and exhibits.

The Commission has reviewed the record, including HISCO's Motion and the fact that counsel for Complainant does not oppose the Motion, and the fact that the COVID19 pandemic has imposed operational difficulties on all concerned, and now finds that good cause exists to grant the requested extension of time for Respondent to file testimony and exhibits through and including April 5, 2021, and a similar extension of time through and including April 19, 2021 for Complainant to file any rebuttal testimony and exhibits. The Commission further finds good cause to serve this Order on the parties by electronic mail, delivery confirmation requested.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.
