NOW COMES Public Service Company of North Carolina, Inc., d/b/a Dominion Energy North Carolina (“PSNC”), by and through counsel and pursuant to Rule R1-7 of the Rules of Practice and Procedure of the North Carolina Utilities Commission (“Commission”), and hereby moves the Commission for an extension of time until June 1, 2022, to file and implement its Service Regulations Appendix A – Transportation Pooling Agreement. In support thereof, PSNC respectfully shows unto the Commission the following:

1. Ordering Paragraph 5 in the Commission’s January 21, 2022 Order Accepting Stipulation, Granting Rate Increase and Requiring Customer Notice required that the Company file clean versions of the new and revised tariff and service regulations to comply with the Order within five (5) days from the date of the Order.

2. On January 26, 2022, the Company filed its Revised and Clean New and Revised Tariff and Service Regulations stating the effective date for all tariff and service regulation revisions was February 1, 2022. However, the Company proposed an effective date of April 1, 2022, for the Transportation Pooling Agreement to allow for sufficient time to complete execution of new agreements with poolers, implement necessary changes to the electronic bulletin board that will enable imbalance trading, and conduct training for poolers on these changes.

3. The Company requests additional time to complete execution of new agreements with poolers and to implement changes needed to the electronic bulletin board that were identified during the testing phase of the enhancements that will enable imbalance trading.

WHEREFORE, Public Service Company of North Carolina Inc., d/b/a Dominion Energy North Carolina, respectfully requests an extension until June 1, 2022, to file and make effective its Transportation Pooling Agreement.

Respectfully submitted, this the 29th day of March, 2022.

/s/Mary Lynne Grigg
