**RE: In the Matter of Joint Application by Pluris Hampstead, LLC, for Authority to Acquire the Sewer Utility Systems Serving Majestic Oaks and Hampstead Shopping Center, Forest Sound (formerly Southside Commons and formerly Grey Bull), Majestic Oaks West, and Salter's Haven at Lea Marina in Pender County, North Carolina from Old North State Water Company, Inc. and Approval of Rates;
W-1300 Sub 69 and W-1305 Sub 29
*Joint Proposed Order Approving Transfer, Granting Franchises, Approving Rates, and Requiring Customer Notice***

Dear Ms. Dunston:

On behalf of Old North State Water Company, Inc. ("ONSWC"), Pluris Hampstead, LLC ("Pluris"), and the Public Staff (collectively "Joint Movants"), we herewith provide Joint Proposed Order Approving Transfer, Granting Franchises, Approving Rates, and Requiring Customer Notice, for filing in the above referenced dockets.

A Word version of the Proposed Order will also be provided to the Commission by e-mailing same to briefs@ncuc.net.

Shopping Center, Forest Sound)	APPROVING RATES, AND
(formerly Southside Commons and)	REQUIRING CUSTOMER
formerly Grey Bull), Majestic Oaks)	NOTICE
West, and Salter's Haven at Lea)	
Marina in Pender County, North)	
Carolina, from Old North State Water)	
Company, Inc., and Approval of)	
Rates)	

BY THE COMMISSION: On October 9, 2020, Old North State Water Company, Inc.¹ (ONSWC), and Pluris Hampstead, LLC (Pluris), filed an Application for Transfer of Public Utility Franchises and for Approval of Rates (Joint Application). The Joint Application proposes to transfer from ONSWC to Pluris the utility franchise and assets necessary for providing sewer utility service in a service area consisting of the real estate developments commonly known as Majestic Oaks, Majestic Oaks West, Forest Sound (f/k/a Southside Commons and f/k/a Grey Bull), and Salter's Haven at Lea Marina, Phases 1 and 2 (collectively Transfer Areas), all of which are located in Pender County, North Carolina.

On January 27, 2021, Pluris filed supplemental information and documentation, including the Asset Purchase Agreement (APA) between Pluris and ONSWC entered into on September 11, 2020, and amended the Joint Application to confirm that Pluris requests approval to use ONSWC's current residential wastewater flat rate of \$56.40 per month, as approved by the Commission in Docket Nos. W-1300, Sub 11, and M-100,

¹ Old North State Water Company, LLC, notified the Commission on July 12, 2022, that it had converted to Old North State Water Company, Inc., with no change of ownership.

Sub 138. The APA provides that Pluris will purchase from ONSWC specific wastewater utility assets that are or will be used to serve the properties in the Transfer Areas.

On February 9, 2021, the Commission issued its Order Requiring Customer Notice in these dockets (Notice Order). In the Notice Order the Commission concluded that the notice to customers required by that Order would communicate to customers that the Commission may decide this matter on the filings and approve the franchise transfers, without scheduling a hearing, if no significant protests are filed with the Commission.

On February 19, 2021, Pluris filed its notarized Certificate of Service with the Commission, which documented that the required Notice to Customers was mailed to all customers, as required by the Notice Order, on February 18, 2021.

On March 8, 2021, WLI Investments, LLC (“WLI”) petitioned to intervene in these dockets based on its dispute as to certain terms in Agreement between ONSWC and WLI entered into on December 13, 2018, and filed in Docket W-1300, Sub 56 (WLI Agreement) relating to the Salter’s Haven at Lea Marina development. WLI was allowed to intervene by Order issued March 11, 2021. WLI’s dispute concerned the rights and obligations of the parties under the WLI Agreement as to the type of the wastewater collection systems to be constructed by WLI in an area of an “additional 30 lots located outside of the Subdivision,” referred to in the WLI Agreement as the Extended Service Area or ESA (the “WLI Dispute”). The WLI Dispute related to an area outside ONSWC’s currently approved service area.

On March 12, 2021, a ONSWC customer, Mr. Jim Hutchinson, emailed the Public Staff pursuant to the Notice Order to “officially protest the rate increase for my sewer service in Majestic Oaks West, Hampstead NC.” No other customer protests have been filed with the Commission relating to the Joint Application or these dockets.

On March 17, 2021, ONSWC filed a Motion to Allow Bulk Wastewater Treatment requesting that the Commission allow Pluris to provide bulk wastewater treatment service to ONSWC for the Transfer Areas due to environmental regulatory compliance issues with ONSWC’s existing Majestic Oaks wastewater treatment plant (WWTP) serving those areas.

On March 23, 2021, ONSWC filed a response to WLI’s Petition to Intervene.

On March 31, 2021, Pluris filed the Second Amendment to Asset Purchase Agreement.

On April 6, 2021, the Commission issued its Order Granting Motion and Approving Bulk Service Rate whereby it granted ONSWC's motion and approved ONSWC's request that Pluris be allowed to provide bulk wastewater treatment to ONSWC for the Transfer Areas, and approving the proposed rate for provision of such service by Pluris.

On April 7, 2021, WLI responded to ONSWC's filing regarding WLI's petition to intervene and the underlying contractual dispute.

On April 15, 2021, Pluris filed a letter regarding the WLI contractual dispute.

On April 19, 2021, ONSWC made a second filing regarding the WLI contractual dispute.

On June 21, 2021, Pluris made a filing informing the Commission that pursuant to the Commission's April 6, 2021, Order, Pluris had begun providing bulk wastewater treatment to ONSWC for the Transfer Areas as of May 25, 2021.

On September 28, 2021, the Commission issued its Order Recognizing Contiguous Extension and Approving Rates as to ONSWC's Notifications of Contiguous Extensions in Dockets W-1300, Subs 30 and 56.

On September 28, 2021, the Commission issued its Order Granting Franchise and Approving Rates to ONSWC for the Forest Sound (f/k/a Southside Commons) service area in Docket No. W-1300, Sub 20.

On January 3, 2022, WLI filed a Complaint and Petition for Declaratory Ruling ("WLI Complaint") in Docket Nos. W-1305, Sub 35, and W-1300, Sub 77 relating to the WLI Dispute. The parties to that proceeding reached agreement on settlement and WLI filed a Notice of Dismissal with Prejudice as to the WLI Complaint in those dockets on March 14, 2023, which the Commission accepted by Order issued March 22, 2023.

On February 17, 2022, a letter from the regional supervisor with the Water Quality Regional Operations Section, North Carolina Department of Environmental Quality, in support of the transfer was filed in these dockets. That letter states that the Majestic Oaks WWTP "has been the subject of numerous violations and NCDEQ considers this to be a troubled system," and notified the Public Staff that "NCDEQ strongly supports approval of this acquisition by Pluris, due to the condition of this aged ONSWC WWTP and its related facilities, including existing disposal ponds onsite, all located within this residential community."

On August 11, 2022, ONSWC and Pluris filed their Amended Asset Purchase Agreement (Amended APA).

On August 29, 2022, ONSWC, Public Staff and Pluris jointly filed their Settlement Agreement and Stipulation (Stipulation) in these dockets reflecting those parties' agreement.

On March 14, 2023, WLI filed a statement in these dockets withdrawing its opposition to further proceedings on the Joint Application requesting that the Commission promptly approve the pending transfer application.

On April 4, 2023, ONSWC, Public Staff and Pluris filed a verified Joint Motion for Approval of Transfer, Grant of Franchises, and Requiring Customer Notice (Joint Motion).

On the basis of the Joint Application, and the entire record in these dockets and related proceedings, the Commission makes the following:

FINDINGS OF FACT

1. ONSWC serves the Majestic Oaks development and Hampstead Shopping Center (collectively "Majestic Oaks") pursuant to the Certificate of Public Convenience and Necessity ("CPCN") issued to it in Docket No. W-1300, Sub 0, as amended in Docket No. W-1300, Sub 3.
2. ONSWC serves the Majestic Oaks West development ("Majestic Oaks West") pursuant to ONSWC's Notification of Intention To Begin Operations In Area Contiguous To Present Service Area (Notification of Contiguous Extension) and the Commission's Order Recognizing Contiguous Extension in Docket No. W-1300, Sub 30.
3. ONSWC serves the Salter's Haven at Lea Marina development, Phases 1 and 2 ("Salter's Haven Phases 1 and 2") pursuant to ONSWC's Notification of Contiguous Extension and the Commission's Order Recognizing Contiguous Extension in Docket No. W-1300, Sub 56.
4. ONSWC serves the Forest Sound (f/k/a Southside Commons and f/k/a Grey Bull ("Forest Sound")) development area pursuant to the CPCN issued to it in Docket No. W-1300, Sub 20.

5. On September 11, 2020, Pluris and ONSWC entered into an APA whereby, subject to Commission approval, Pluris agreed to acquire the utility assets, land, easements, customers and service areas of ONSWC described in the APA. The purchase price stated in the APA was filed as Confidential.

6. ONSWC owns the wastewater assets that are or will be used to provide wastewater utility service in the Transfer Areas and which are the subject of the APA.

7. ONSWC provided the Public Staff with documentation establishing ONSWC's original cost net investment in the wastewater systems serving the Transfer Areas. Pluris provided the Public Staff with documentation establishing Pluris' investment in the force main and lift station installed for the provision of bulk service to ONSWC, as approved in the Commission's April 6, 2021 Order. The Public Staff audited that documentation. Due to the extent of the connection fees/contributions in aid of construction (CIAC) collected by ONSWC from the Transfer Areas after the Joint Application was filed, the residual original cost net investment in the ONSWC facilities to be acquired by Pluris has been reduced to the point that there is no remaining rate base in those facilities.

8. Pluris is a public utility and in the business of providing wastewater utility service. Pluris' initial CPCN for locations in the Hampstead area of Pender County was issued in Docket No. W-1305, Sub 0, by Commission Order dated November 5, 2015. Since then, the Commission has issued CPCNs to Pluris for additional service areas in Pender County in Docket Nos. W-1305, Subs 1, 2, 4, 6, 8, 9, 10, 11, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, and 24.

9. Pluris affiliates Pluris, LLC and Pluris Webb Creek, LLC operate as public utilities and provide wastewater treatment service to the public in their assigned service areas in other parts of North Carolina pursuant to CPCNs issued to them by the Commission, respectively, in Dockets No. W-1282 and W-1314.

10. Utility assets to be acquired from ONSWC by Pluris pursuant to the APA include easements, collection systems, lines, mains, pump stations, other equipment and facilities, and title to a 50' x 50' area of land on the site of ONSWC's Majestic Oaks WWTP, for construction of a lift station (Lift Station Tract).

11. Under the APA, ONSWC will retain ownership of the Majestic Oaks WWTP, the land where the Majestic Oaks WWTP is located (except for the Lift Station Tract and easements for utility facilities), all adjacent structures, and all ponds associated with the Majestic Oaks WWTP and its operation located on land owned by ONSWC,

including upset ponds, high rate infiltration ponds and other ponds. Under the APA, ONSWC is responsible for decommissioning the Majestic Oaks WWTP and the site where it is located, as well as all associated ponds, basins and property.

12. Pluris constructed, owns and operates an advanced Membrane Bio-Reactor (MBR) wastewater treatment plant in Hampstead. Pluris plans to treat all wastewater from the Transfer Areas at its MBR plant. For the reasons set forth in ONSWC's Motion to Allow Bulk Wastewater Treatment, Pluris expedited its construction of the lift station and interconnection facilities necessary to deliver wastewater from the Transfer Areas to Pluris' MBR plant for treatment.

13. Pursuant to the Order Granting Motion and Approving Bulk Service Rate issued in these dockets, as of May 25, 2021, Pluris began receiving and treating all wastewater generated in the Transfer Areas.

14. After closing of the sale of the subject ONSWC assets to Pluris, and within the time specified below:

(a) ONSWC shall decommission its Majestic Oaks WWTP. Such decommissioning of the Majestic Oaks WWTP shall include, but not necessarily be limited to: (i) removal of the Majestic Oaks WWTP; (ii) removal of all fences, and (iii) leveling and placing seed with straw cover over the two ponds on the Majestic Oaks WWTP site; and

(b) ONSWC shall, for the infiltration pond located on Majestic Oaks Drive on land owned by the Majestic Oaks Property Owners Association: (i) totally remove the fence around the existing infiltration pond; (ii) remove the dam or pond walls; (iii) level the pond site; (iv) create positive drainage to the easterly ditch, and (v) place seed with straw cover over the infiltration pond site.

15. The WLI Complaint in Docket Nos. W-1305, Sub 35, and W-1300, Sub 77 was settled by the parties to those dockets.

16. No significant customer protests have been filed with the Commission in these dockets relating to the transfer of the subject ONSWC utility assets, franchises and service areas to Pluris.

17. The Majestic Oaks WWTP, which served all Transfer Areas, is a significantly troubled system.

18. Pluris has the technical, managerial, and financial capacity to own and operate the wastewater systems serving the Transfer Areas. Given the environmental regulatory compliance issues with the Majestic Oaks WWTP referenced in ONSWC's Motion to Allow Bulk Wastewater Treatment filed March 17, 2021, it is in the public interest that Pluris acquire the Transfer Areas.

19. The acquisition adjustment of \$228,770 in the facilities relating to the Transfer Areas to be acquired by Pluris, as provided for in the Stipulation is prudent, appropriate, and in the public interest, because the Majestic Oaks WWTP, which served all Transfer Areas, is a significantly troubled system, and the acquisition adjustment will provide substantial benefits to all customers and the Transfer Areas. Those benefits outweigh the cost of including a portion of the acquisition premium in rate base; and the agreement as to the acquisition adjustment is the result of arm's length bargaining among the Stipulating Parties.

20. 18. The Commission finds reasonable the agreement of the Stipulating Parties to establish rate base at the time of transfer as \$200,000, subject to adjustment as part of Pluris' next general rate case based on connection fees collected from the Transfer Areas after February 22, 2022. This amount of rate base accounts for the acquisition adjustment as reduced by the continuing receipt of contributions in aid of construction.

21. The Public Staff's recommendation that Pluris be required to post a \$50,000.00 bond for the Transfer Areas is reasonable.

EVIDENCE AND CONCLUSIONS FOR FINDINGS OF FACT NOS. 1-4, 8-9

The evidence supporting these findings of fact is found in the Commission's records, the Joint Application, the records in the dockets cited in those findings, and the entire record in these dockets and related proceedings. These matters are undisputed.

EVIDENCE AND CONCLUSIONS FOR FINDINGS OF FACT NO. 5 - 7, 10-11

The evidence supporting these findings of fact is found in the APA executed by ONSWC and Pluris and filed with the Commission in these dockets, as well as the Stipulation, and the entire record in these dockets and related proceedings.

EVIDENCE AND CONCLUSIONS FOR FINDINGS OF FACT NO. 12-13

The evidence supporting these findings of fact is found in ONSWC's Motion to Allow Bulk Wastewater Treatment and the Notice Regarding Provision of Bulk Service

filed by Pluris on June 21, 2021, and the Commission's records regarding the operating history and performance of Pluris and its public utility affiliates, as well as the documents filed in support of ONSWC's Motion to Allow Bulk Wastewater Treatment, which Motion was granted by Commission Order issued April 6, 2021. These matters are undisputed.

EVIDENCE AND CONCLUSIONS FOR FINDING OF FACT NO. 14

The evidence supporting this finding of fact is found in the filing of the Public Staff dated September 28, 2021, regarding that these actions and ONSWC's obligations associated with its decommissioning of the Majestic Oaks WWTP were requested by the Majestic Oaks HOA and agreed to by ONSWC. ONSWC's agreement to comply with these obligations is reflected in the Amended APA.

EVIDENCE AND CONCLUSIONS FOR FINDING OF FACT NO. 15

The evidence supporting this finding of fact is found in WLI's Notice of Dismissal with Prejudice as to the WLI Complaint, which WLI filed in Docket Nos. W-1305, Sub 35, and W-1300, Sub 77 on March 14, 2023, which the Commission accepted by Order issued March 22, 2023.

EVIDENCE AND CONCLUSIONS FOR FINDINGS OF FACT NO. 16

The evidence supporting this finding of fact is found in the Commission's files relating to these dockets, which reflects that only one customer filed a protest regarding the proposed transfer of the subject ONSWC service areas in these dockets. That customer wrote to "protest the rate increase for my sewer service in Majestic Oaks West...." There is no proposed rate increase pending as to any of the Transfer Areas, including Majestic Oaks West, and Pluris has requested approval to continue charging the rates previously approved for ONSWC. In addition, the Commission is satisfied that the receipt of a single protest in the over two years since the Notice to Customers was mailed to all customers does not constitute a significant protest, and that there is no significant objection by customers to the transfer of these service areas to Pluris.

EVIDENCE AND CONCLUSIONS FOR FINDINGS OF FACT NO. 17-20

The evidence supporting these findings of fact is found in the Commission's records regarding the operating history and performance of Pluris and its public utility affiliates, as well as the documents filed in support of ONSWC's Motion to Allow Bulk Wastewater Treatment, which Motion was granted by Commission Order issued April

6, 2021. These findings are also supported by the February 17, 2022, letter from the regional supervisor with the Water Quality Regional Operations Section, North Carolina Department of Environmental Quality supporting the transfer that is the subject of these dockets and stating that the Majestic Oaks WWTP “has been the subject of numerous violations and NCDEQ considers this to be a troubled system.”

ONSWC has received a number of Notices of Violation (NOVs), Letters of Intent to Issue Civil Penalty, and an Assessment of Civil Penalties for the Majestic Oaks WWTP from NCDEQ.

Evidence supporting these findings is also found in the Stipulation as well as the record as a whole and is based on the conclusion that the public interest will best be served by the transfer of the Majestic Oaks, Majestic Oaks West, Salters Haven, and Forest Sound service areas to Pluris.

ONSWC's Majestic Oaks wastewater treatment facility is a troubled system that is plagued with serious environmental, regulatory, and operational issues that need to be resolved as soon as possible. The acquisition adjustment will allow the Transfer Areas to be transferred from ONSWC to Pluris so that the wastewater from the Transfer Areas can be treated in Pluris' advanced MBR wastewater treatment plant in Hampstead. Once the Transfer Areas are transferred to Pluris, ONSWC will decommission the Majestic Oaks WWTP, as well as the associated ponds and basins, and remove them from the Majestic Oaks neighborhood. Once ONSWC has decommissioned the Majestic Oaks WWTP, as well as the associated ponds and basins, the significant environmental and regulatory problems with the Majestic Oaks WWTP, including odor issues that affect the homes adjacent to the WWTP, will be resolved.

The transfer of the Transfer Areas to Pluris will not just benefit the Majestic Oaks customers by allowing for decommissioning of the Majestic Oaks WWTP, but will also provide substantial benefits to the other customers in the Transfer Areas. If the APA was terminated and the facilities were not transferred to Pluris, ONSWC would have to install a new and larger wastewater treatment plant and additional disposal ponds in the Majestic Oaks neighborhood to treat the wastewater from the Majestic Oaks subdivision and the other Transfer Areas. There would be significant issues if the transfer did not occur and ONSWC had to construct a new wastewater treatment facility in the Majestic Oaks subdivision: the wastewater treatment facility would continue to be located in close proximity to homes in the Majestic Oaks subdivision, and the substantial cost of the new wastewater treatment facility would be able to be recovered in rates from all customers in the Transfer Areas.

Due to the extent of the connection fees collected by ONSWC since the Joint Application was filed in these dockets, those contributions in aid of construction (CIAC) have more than offset ONSWC's rate base in its assets in the Transfer Areas. This is reflected in the agreement of the Stipulating Parties to establish rate base at the time of transfer as \$200,000, subject to reduction as part of Pluris' next generate rate case based on connection fees collected from the Transfer Areas after February 22, 2022. This amount of rate base accounts for the acquisition adjustment as reduced by the continuing receipt of contributions in aid of construction. The Commission finds this is a reasonable determination of the amount of rate base that Pluris will acquire in the transfer.

EVIDENCE AND CONCLUSIONS FOR FINDING OF FACT NO. 21

This finding is based on the bond recommendation of the Public Staff filed on September 28, 2021.

CONCLUSIONS

Based upon the foregoing, and given the lack of any significant customer protest relating to the transfer of these ONSWC service areas to Pluris, the Commission concludes that the transfer of the franchises and assets for the Transfer Areas from ONSWC to Pluris is in the public interest and should be approved, and that the CPCN attached hereto as Appendix B should be granted to Pluris authorizing it to provide wastewater utility service in the Majestic Oaks, Majestic Oaks West, Salters Haven, and Forest Sound service areas.

IT IS, THEREFORE, ORDERED as follows:

1. That the application for the transfer of the utility wastewater assets and systems from ONSWC to Pluris in Majestic Oaks, Majestic Oaks West, Salters Haven at Lea Marina Phases 1 and 2, and Forest Sound is hereby approved;
2. That Appendix A attached hereto shall constitute the certificate of public convenience and necessity issued to Pluris for the Majestic Oaks, Majestic Oaks West, Salters Haven at Lea Marina Phases 1 and 2, and Forest Sound service areas;
3. That the Notice to Customers attached hereto as Appendix B shall be mailed with sufficient postage or hand delivered to all customers with Majestic Oaks, Majestic Oaks West, Salters Haven at Lea Marina Phases 1 and 2, and

Forest Sound service areas within ten business days of the effective date of this Order;

4. That the Schedule of Rates for service to be provided by Pluris in the Majestic Oaks, Majestic Oaks West, Salters Haven at Lea Marina Phases 1 and 2, and Forest Sound service areas is attached as Appendix C;
5. That the Settlement Agreement and Stipulation is approved and accepted, and an acquisition adjustment in the amount of \$228,770 relating to the facilities in the Transfer Areas to be acquired by Pluris is approved;
6. That the Stipulation is approved and accepted, and the net investment in the ONSWC assets acquired by Pluris at the time of transfer is \$200,000;
7. That Pluris shall file the attached Certificate of Service attached hereto, properly signed and notarized, not later than 20 days after the issuance of this Order;
8. That Pluris shall continue to charge the rates currently authorized for ONSWC for service in the Majestic Oaks, Majestic Oaks West, Salters Haven at Lea Marina Phases 1 and 2, and Forest Sound service areas until any change in such rates is approved by the Commission;
9. After closing of the sale of the subject ONSWC assets to Pluris, and within the time specified below:
 - (a) ONSWC shall decommission the Majestic Oaks WWTP. Such decommissioning of the Majestic Oaks WWTP shall include, but not necessarily be limited to: (i) removal of the Majestic Oaks WWTP; (ii) removal of all fences, and (iii) leveling and placing seed with straw cover over the two ponds on the Majestic Oaks WWTP site; and
 - (b) ONSWC shall for the infiltration pond located on Majestic Oaks Drive on land owned by the Majestic Oaks Property Owners Association shall: (i) totally remove the fence around the existing infiltration pond; (ii) remove the dam or pond walls; (iii) level the pond site; (iv) create positive drainage to the easterly ditch, and (v) place seed with straw cover over the infiltration pond site;
10. That Pluris shall post a bond in the amount of \$50,000.00;

11. That Pluris shall notify the Commission within five business days after the closing of the transfer of assets provided for in the parties' Asset Purchase Agreement;

ISSUED BY ORDER OF THE COMMISSION.

This the ____ day of April, 2023.

DOCKET NO. W-1305, Sub 29

In the matter of)	
Application for Transfer of Public Utility)	
Franchises of Old North State Water)	NOTICE TO CUSTOMERS
Company, LLC Inc. to Pluris Hampstead,)	
LLC)	

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission (Commission) has approved the transfer of the wastewater public utility franchise and systems of Old North State Water Company, LLC (ONSWC) to Pluris Hampstead, LLC (Pluris). The Commission has also issued a certificate of public convenience and necessity to Pluris authorizing it to provide wastewater utility service throughout Majestic Oaks and Hampstead Shopping Center, Majestic Oaks West, Salters Haven at Lea Marina Phases 1 and 2, and Forest Sound (formerly known as Southside Commons and before that, Grey Bull) developments.

The Commission has approved for Pluris (as franchise owner) the continuation of the current rates of ONSWC as previously authorized in the Commission's Orders in Docket Nos. W-1300, Sub 11 and M-100, Sub 138.

On February 9, 2021, the Commission issued its Order Requiring Customer Notice in these dockets (Notice Order). **In that Order the Commission concluded that the notice to be sent to ONSWC's customers in the subject service areas would communicate to those customers that the Commission may decide this matter on the filings and approve the franchise transfer and continuation of the interim rate, without scheduling a hearing, if no significant protests were filed with the Commission.**

One objection or protest has been filed with the Commission relating to the Joint Application or these dockets, in the over two year period since the Commission's required Customer Notice was mailed out.

Pluris has the technical, managerial, and financial capacity to own and operate the wastewaters system assets which it will acquire from ONSWC serving Majestic Oaks and Hampstead Shopping Center, Majestic Oaks West, Salters Haven at Lea Marina

Phases 1 and 2, and Forest Sound developments, and it is in the public interest that the Joint Application be granted.

This the ____ day of _____, 2023.
