Re: Docket No. W-1333, Sub 5 – Application for Certificate of Public Convenience and Necessity and for Approval of Rates to Provide Water & Sewer Utility Services in Currituck County

Dear Ms. Dunston:

On November 14, 2023, Currituck Water and Sewer, LLC (Currituck) filed an amended application and confidential exhibit in Docket No. W-1333, Sub 5. Currituck did not serve the Public Staff. The Public Staff contacted Currituck's counsel regarding the oversight on Monday, November 27, 2023, but a response has not been received.

The Public Staff believes its 10-day window to review additional filings made in this docket, set forth in the Commission's Order Finding Application Incomplete and Request for Additional Information issued on October 6, 2023, should begin on the day on which Currituck serves the Public Staff the filing made on November 14, 2023.

If you have any questions, please do not hesitate to reach out to me.

Sincerely,
Electronically submitted
