I would like to see Community solar to ~~offset~~ dependence on foreign oil. As a vet. I lost friends in the pursuit of that foreign oil. Also measures to decrease consumption. I.E. living roofs, fair exchange programs.

Hello! 

I ask ~~that~~ out of all the
voices in the animal kingdom-
please STOP fossil fuels!

We will lose our planet to
fossil fuels if you don't stop
now! Take the first step by
using solar and wind power!

Thank you, Flynn Rollins Zircow
