**RE: Docket No. SP-5259, Sub 0
Aulander Holloman Solar, LLC
Clerical Correction to CPCN Amendment**

Dear Clerk Mount:

This filing is to correct a clerical error in the amendment to the application for a Certificate of Public Convenience and Necessity ("CPCN") in the above-referenced docket pursuant to Rule R8-64(d)(3). The original CPCN application was filed on February 27, 2015 and the amendment was filed on March 13, 2015.

The map filed with the amendment reflecting the Aulander Holloman Solar facility footprint was the correct map; however, it was incorrectly labeled as Conetoe II Solar Amendment: Exhibit 2. Attached is the map with the corrected label as **Aulander Holloman Solar Amendment: Exhibit 2**.

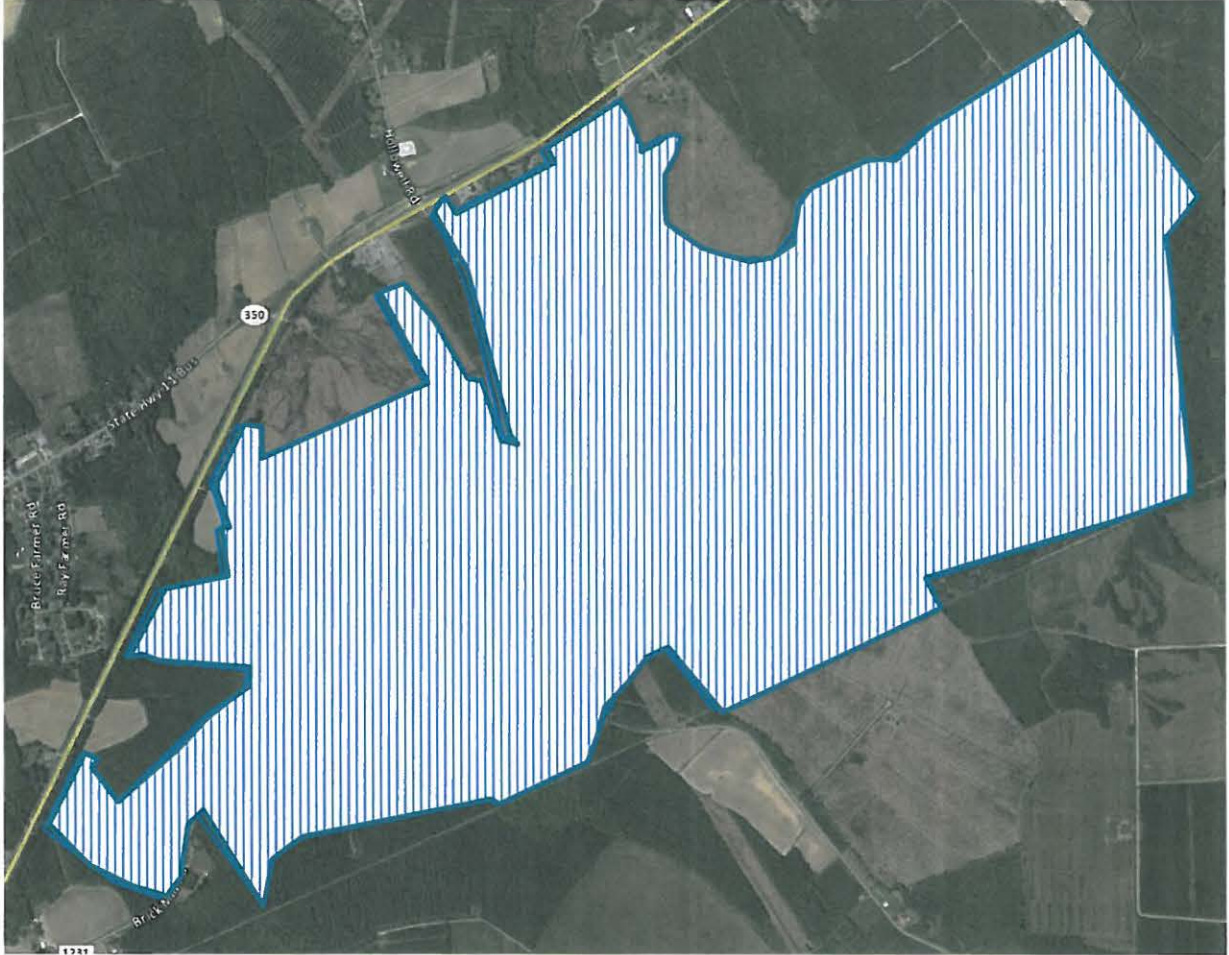

Please update the filing with the correctly labeled map. If you have any questions, please give me a call at 704-662-0375 x 117.

Sincerely,

Kara W. Price
Legal Project Manager

Aulander Holloman Solar Amendment: Exhibit 2

Outlined in BLUE above is the amended proposed layout that reflects the facility footprint. The blue diagonal lines depict modules and racking. No structures will be constructed on the site.
