Re: Docket No. M-100, Sub 164
Follow-up on Motion for Extension of Time to File Reply Comments

Dear Ms. Dunston:

On April 14, 2022, the Public Staff filed a motion for a two-week extension of time to file reply comments. Due to time constraints, the Public Staff was not able to contact parties to determine whether any party would object to the requested extension as is the usual practice. On April 18, 2022, the Public Staff was able to contact the parties and no party has indicated that it objects to the requested extension.

Sincerely yours,

/s/ Lucy E. Edmondson
