Docket No.E-100, Sub 178

Dear Ms. Dunston:

Pursuant to the Commission's October 14, 2021 and November 24, 2021 orders in this docket, the North Carolina Attorney General's Office files the attached reply comments and related proposed rules.

These comments and recommendations were developed with assistance from Matthew McDonnell, Managing Director US Consulting, at Strategen, who has extensive experience relating to the implementation of successful performance-based regulation, and his resume is attached at the end of this filing.

If you have any questions, please do not hesitate to contact me.

Best regards,

Electronically submitted
