Re: Docket No. E-2, Sub 1300 – Application by Duke Energy Progress, LLC, for Adjustment of Rates and Charges Applicable to Electric Service in North Carolina and for Performance Based Regulation

Dear Ms. Dunston:

On February 3, 2023, in the above-referenced docket, the Public Staff filed the Motion of the Public Staff to Compel, requesting that the North Carolina Utilities Commission (Commission) direct Duke Energy Progress, LLC (DEP), to fully and promptly respond to the Public Staff's Data Request No. 137.

On February 6, 2023, DEP and the Public Staff filed a joint motion for a five-day extension of time for DEP to respond to the Public Staff's motion to compel.

On February 10, 2023, DEP provided the Public Staff with the outstanding responses to Public Staff Data Request No. 137. The Public Staff now considers the responses to its Data Request No. 137 complete and hereby withdraws the February 3, 2023 Motion of the Public Staff to Compel.

Sincerely,

Electronically submitted
