CCEBA’S PETITION TO INTERVENE

NOW COMES the Carolinas Clean Energy Business Association (“CCEBA”), pursuant to Rules R1-5, R1-7, and R1-19, and petitions to intervene in the above-captioned docket. In support of its Petition, CCEBA shows the Commission the following:

1. CCEBA is a non-profit organization formed under the laws of North Carolina. CCEBA is organized for the purpose of promoting and advocating public policy positions supportive of solar power generation in North and South Carolina. CCEBA is a 501(c)(6) organization representing all types of businesses in the clean energy sector, including developers, manufacturing, engineering, construction, professional and financial services, and non-energy businesses wishing to purchase clean energy. With over 50 members, including most of the utility-scale solar developers in North and South Carolina, CCEBA monitors and participates in energy policymaking in both Carolinas.

2. CCEBA was involved in the legislative process which led to the enactment of HB 951 and this docket. CCEBA has insight into the legislative history and negotiations which could assist in the development of rules to implement HB 951.

3. CCEBA has appeared as an intervenor in multiple dockets in North Carolina under its current name, and under its prior name: North Carolina Clean Energy Business Alliance.

4. CCEBA's participation in this proceeding will benefit the Commission by providing critical analysis of the proposed revisions along with deep industry knowledge and experience.

5. CCEBA's address is 811 Ninth Street, Suite 120-158, Durham, NC 27705.
