Re: In the Matter of  
Village of Bald Head Island v. Bald Head Island Transportation, Inc.  
and Bald Head Island Limited, LLC;  
NCUC Docket No. A-41, Sub 21  
***Proposed Order of Witnesses, Estimated Time for Cross-Examination***

Dear Ms. Dunston:

To follow-up and respond to the letter filed yesterday by Mr. Marcus Trathen on the above-referenced topic: the only unresolved issue is whether the Village of Bald Head Island witnesses Wright and Gardner should take the witness stand a second time to present their rebuttal testimony separately from their direct testimony. Bald Head Island Transportation proposes, in the alternative, that the direct and rebuttal testimony be presented at one time for purposes of administrative efficiency.

If the rebuttal testimony is presented separately, counsel for BHIT/BHIL estimates 10 minutes of rebuttal cross-examination time for witness Gardner, and 30 minutes for witness Wright. Counsel for SharpVue has authorized me to convey an estimated cross-examination time of 5 additional minutes for each.

Also, just for purposes of clarity and completeness, SharpVue (SV) should be listed in the Proposed Order of Cross for witnesses Briggs and Sawyer, but does not have a preference as to its position in the order of cross of these witnesses.
