BY THE COMMISSION: G.S. 62-133.4 authorizes gas cost adjustment proceedings for natural gas local distribution companies. G.S. 62-133.4(c) provides that the North Carolina Utilities Commission shall conduct annual review proceedings to compare each natural gas utility's prudently-incurred costs with costs recovered from all of the utility's customers served during the test period. Commission Rule R1-17(k)(6) prescribes the procedures for such annual reviews of natural gas costs.

On September 1, 2017, Toccoa Natural Gas (Toccoa or Applicant), filed testimony relating to an annual review proceeding pursuant to G.S. 62-133.4(c) and Commission Rule R1-17(k)(6).

The Commission finds good cause to issue this Order scheduling this matter for public hearing, establishing discovery guidelines, and providing for public notice of the hearing. The guidelines regarding discovery in this docket, subject to modification for good cause shown, are as follows:

1. Any deposition which a party desires to take shall be taken before the deadline for filing of Public Staff and intervenor testimony. Notice of deposition shall be served on all parties at least seven days prior to the taking of the deposition. Notice of deposition and all other discovery notices, requests and motions shall be served on the appropriate parties by hand delivery or facsimile, or by electronic delivery if the receiving party has agreed to receipt by electronic delivery.

2. Any motion for subpoena of a witness to appear at the evidentiary hearing shall be filed with the Commission before the deadline for filing of Public Staff and intervenor testimony, shall be served by hand delivery or facsimile to the person sought to be subpoenaed at or before the time of filing with the Commission, and shall make a reasonable showing that the evidence of such person will be material and relevant to an issue in the proceeding. See G.S. 62-62. Unless an objection is filed, the Chief Clerk shall issue the requested subpoena 24 hours after such motion is filed.

3. Formal discovery requests related to the application and the Applicant's prefiled direct testimony shall be served on the Applicant not later than fourteen days prior to the deadline for filing of Public Staff and intervenor testimony. The party served shall have up to ten calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than ten days prior to the deadline for filing of Public Staff and intervenor testimony.

4. Formal discovery requests of the Public Staff or intervenors shall be served not later than three days after such testimony is filed. The party served shall have up to three calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than five days after that party's testimony was filed.

5. Formal discovery requests related to the Applicant's prefiled rebuttal testimony shall be served on the Applicant not later than two days after such testimony is filed. The party served shall have up to two calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than three days after the rebuttal testimony was filed. Discovery related to rebuttal testimony shall be limited to new material introduced in such rebuttal testimony and will be carefully scrutinized upon objection that such discovery should have been sought during the initial period of discovery from the Applicant.

6. Discovery requests need not be filed with the Commission when served; however, any party filing objections shall attach a copy of the relevant discovery request to the objections. Each discovery request, or part thereof, to which no objection is filed shall be answered by the time objections are due, subject to other agreement of the affected parties or other order of the Commission. Upon the filing of objections, the party seeking discovery shall have two days to file a motion to compel with the Commission, and the party objecting to discovery shall have one day thereafter to file a response. All objections, motions to compel, and responses shall be served on the other affected party at or before the time of filing with the Commission.

7. A party shall not be granted an extension of time to pursue discovery because of that party's late intervention or other delay in initiating discovery.

The Commission recognizes that in the past most discovery has been conducted in an informal manner without the need for Commission involvement or enforcement, and that such has been generally successful. The guidelines stated above are without prejudice to the parties conducting informal discovery or exchanging information by agreement at any time with the understanding that such will not be enforceable by the Commission if outside the guidelines.

IT IS, THEREFORE, ORDERED as follows:

1. That a public hearing shall be, and is hereby, scheduled for Wednesday, November 1, 2017, at 10:00 a.m., in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina, for the purpose of considering the testimony filed in this proceeding by Toccoa;
2. That any person having an interest in this proceeding may file a petition to intervene stating such interest on or before Monday, October 16, 2017;
3. That the direct testimony and exhibits of the Public Staff and other intervenors shall be filed on or before Monday, October 16, 2017;
4. That Toccoa shall file its rebuttal testimony and exhibits within ten (10) days of the actual receipt of the testimony of the party to whom the rebuttal testimony is addressed;
5. That Toccoa shall publish the Public Notice attached hereto as Appendix A in a newspaper or newspapers having general circulation in its service area once a week for two successive weeks beginning at least 30 days prior to the hearing; and
6. That Toccoa shall file an affidavit of publication on or before the date of the hearing.

ISSUED BY ORDER OF THE COMMISSION.

This the 8<sup>th</sup> day of September, 2017.
